High School Graduation Curriculum Requirements

In a table, provide a description of the curriculum requirements for participants who do not fall under [Texas Education Code Sec. 28.025](#), Foundation School Program.

The table must include the following columns:

- Curriculum requirement;
- Required course that will be offered;
- Instructional materials, resources, or tools for each course
- Satisfactory performance on the secondary exit-level assessment instrument (if applicable to that course); or other specific, objective standard(s) of success requirement(s).

List each course on a separate line.
